## Our Story

The iconic grounds of Yungaba, where Medley is today located, had served for many years as an Immigration Centre. Yungaba was constructed in 1887 and provided shelter to countless immigrants who decided to make Queensland their new home.

So as to preserve the rich history of the site, at Medley we feel it is our duty to provide a renewed place for cultural exchange, this time through food. Migration gave Australia a great gift; diversity of culture and cuisine. New ingredients, different cooking techniques and exotic spiced introduced to the island continent have made for an exciting culinary evolution. At Medley we celebrate this great gift of cultural exchange through our 'World Inspired Food' and warm hospitality.

"Hospitality is the contemporaneous exchange designed to enhance mutual wellbeing for the parties involved through the provision of food, drink and accommodation."

We believe in genuine and warm hospitality driven by the motive of duty to please others, deeply inherent in human nature.

## Our Venue

Our riverfront dining space is perfect for your birthday party, product launch or corporate function. Whether you want the event to be seated or standing up with finger food we will lay the space out to suit your style.

All our food is freshly prepared in our kitchen using fresh and homegrown produce. There is plenty to choose from and we can tailor make a menu to suit your tastes and budget.
